

Douglas M. Stocco
Executive Vice President for Research
Texas Tech University Health Sciences Center
Senate Committee on Health and Human Services, Invited Testimony
Interim Charge #11: Human Stem Cell Research
March 10, 2010

1. **What kind of human stem cell research is being conducted at your institution?**
None
2. **How many research projects involving human stem cells are currently being conducted?**
None
3. **What is the total amount spent on these human stem cell research projects?**
None
4. **How much General Revenue do you spend on all research each fiscal year?**
\$6,894,054 in Fiscal Year 2009
5. **How much General Revenue do you spend on human stem cell research each fiscal year?**
None
6. **What factors would need to be considered to determine how much of the total cost of these human stem cell efforts is spent on actual human stem cell research, and how much of the spending comes from state funds?**
Not Applicable
7. **If the state is attempting to collect data on what human stem cell research is being funded by the state, do you have recommendations on how to achieve this?**
Add human stem cell research to the list of types of research expenditures currently reported through the Texas Higher Education Coordinating Board annual report on Research Expenditures.
